

The Institute for Innovation in Second Language Education, Instituto Cervantes and Alberta Education are pleased to invite Spanish language education stakeholders to:

¡Hola amigos!

Information Session

This session features an interactive digital resource that supports Spanish for elementary school-aged children. This resource was created by Alberta Education and Instituto Cervantes, and is available to Alberta's teachers, schools and parents free of charge. Components of this resource may also be suitable to students in other Spanish language programs.

on
April 16, 2008
4:30—6:00 pm
Barnett House, 11010—142 Street
Edmonton, Alberta

Speakers:

Valeria Palladino, Learning Technologies Branch, Alberta Education
Carlos Soler, Instituto Cervantes

Learn about this very unique resource that supports Spanish for elementary school-aged children. Activities involve listening, reading, pronunciation, writing, and speaking. Each scenario starts with an animation that presents new linguistic and cultural content. This resource exposes students to a wide variety of Spanish accents and cultural content from various Spanish-speaking countries.

This workshop will be presented in English and is offered as a no cost session. Please send the completed registration form (see reverse side) to:

Andrea Colling, Project Coordinator
Institute for Innovation in Second Language Education
Edmonton Public Schools
